Section A – ORGANISATION

A1: Employer Responsibilities

Kent County Council as the employer has a statutory duty in respect of health and safety in community and voluntary controlled schools to ensure that premises and people are healthy and safe.

The responsibility is devolved to the Headteacher, who has day to day responsibility for staff, pupils and others as 'officer in charge' of the premises.

The head teacher will ensure the overall implementation of the policy.

A2: Head Teacher Responsibilities

- To ensure this policy is reviewed annually, or before if there are any changes in circumstances;
- To ensure that employee responsibilities regarding health and safety are included in his/her job description and that it is properly received and understood;
- To include health and safety issues in the school improvement plan, if necessary;
- To carry out regular health and safety inspections (at least three times a year) and take remedial action as appropriate;
- To undertake risk assessments, record significant findings, and review annually, or before if there is a change in circumstance;
- To receive and deal promptly with raised issues or complaints about unsafe premises, equipment or work practices;
- To liaise with KCC property and infrastructure support and/or the building maintenance consultants and/or with contractors to resolve property maintenance issues;
- To ensure that the requirements of any enforcement officer (e.g. HSE Inspector, Environmental Health Officer, Fire Liaison Officer, or Environmental Agency Inspector) are properly addressed;
- To ensure that emergency evacuation procedures are in place and tested;
- To ensure that adequate first aid provision is available and kept up to date;
- To report health and safety issues to the governing body on a regular basis;
- To monitor and review all health and safety policies and procedures.

NB: Tasks can be delegated to other staff members but the responsibility remains with the head teacher.

A3 – Governors’ Responsibilities

- Responsibility for the health and safety of pupils lies with the governing body of the school, either as the employer of school staff or because it controls school premises (or both).
- The governing body will promote a strategic overview for health and safety.
- The governing body will take all reasonable measures to ensure that the premises and equipment on site are safe and do not put the health or safety of staff, pupils or visitors at risk while they are on the premises.
- The governing body must comply with any directions given by the LA concerning the health and safety of persons in school, or on school activities elsewhere.
- The governing body will make adequate provision for maintenance of the school premises and equipment, either within the KCC ‘Classcare’ scheme or within the school’s delegated budget.
- The governing body will support and monitor health and safety within the school.
- The governing body has appointed a governor to coordinate health and safety from a strategic point of view.

Name of Appointed Health and Safety Governor:

Mr Terry Miller

A4 – Staff Responsibilities

- Must take reasonable care of their own health and safety and that of others who may be affected by what they do or fail to do.
- Will co-operate with their employer on health and safety matters.
- Will not interfere with anything provided to safeguard their health and safety or that of others.
- Have a duty to report all health and safety concerns to the head teacher or their line manager.

A5 – Area Education Officers (AEO)

- The AEO will take responsibility for the strategic overview of health and safety matters in schools, and report concerns to the Corporate Director of Education and Young Person’s Services.
- The AEO will raise specific health and safety issues with the health and safety unit.

Name of AEO: David Adams (AEO) 03000 414989

Lee Round (School Organisation Officer) 03000 412309

A6 –Capital & Premises Development Manager, KCC

- Has responsibility for ensuring that regard is given to health and safety concerns when carrying out property maintenance plans for major maintenance and improvement works.

A7 – Property and Infrastructure Support, KCC

- Will ensure that property matters for which the local authority as the employer has statutory responsibilities, (e.g. regular maintenance and testing of fixed electrical wiring or fixed gas appliances) are properly dealt with, (if necessary, by taking premises or fixed equipment out of use). The head teacher is responsible for liaising with KCC property and infrastructure support, and/or the building consultants and/or with contractors from KCC preferred contractors list, to resolve property maintenance issues.

A8 – Safety Representatives

Safety representatives of a Trade Union have the following functions:

- Represent employees generally and when you consult them about specific matters that will affect the health, safety and welfare of the employees.
- Represent employees when Health and Safety Inspectors from HSE or Local Authorities consult them
- Investigate accidents, near misses, and other potential hazards and dangerous occurrences in the workplace
- Investigate complaints made by an employee they represent about their health, safety or welfare in the workplace
- Present the findings of investigations to you.
- Inspect the workplace;
- With at least one other appointed representative, request in writing that you set up a health and safety committee and attend Health and Safety Committee and meetings as a representative of our employees.

Alternative Consultation Arrangements:

Name of Employee Representative: Mr K Renihan

Contact Details: keiran.renihan@portal-house.kent.sch.uk

A9 - Consultation with Employees

It is a legal requirement to consult with employees on health and safety issues. A Safety Committee is where formal consultation with employees takes place, but individual and group staff meetings are also appropriate forums for communication on health and safety matters and concerns.

Health and Safety is a standing item on all staff meeting agendas and of the full Governing Body Agenda.

A10 – Information, Instruction and Supervision

Under health and safety law it is a legal requirement to display or provide a leaflet version of the Health and Safety Law poster.

- A copy of the Health and Safety Law Poster can be found:

Location of Poster: Staffroom.

- Supervision of young workers/trainees will be arranged/undertaken/monitored by the head teacher or other delegated key members of staff.
- The head teacher will supply adequate information, instruction and supervision for all staff, pupils and visitors to ensure their health and safety.

A11 – Competency for Health and Safety Tasks and Training

- Induction training will be ensured for all members of staff by the head teacher.
- Training will be identified, arranged and monitored by the head teacher and the governing body.
- Staff are also responsible for drawing to the attention of the head teacher their own personal training needs.
- Training records will be easily accessible for audit purposes and will be kept up to date.

The person responsible for holding the records is:

Mrs Maddy Diamond (CPD Co-ordinator)

A12: Monitoring

- The head teacher will check working conditions and ensure that safe working practices are being followed. Regular inspections will be undertaken of the school building and grounds three times a year.
- Terry Miller, Health & Safety Governor is responsible for investigating accidents although the accountability lies with the head teacher.
- Terry Miller, Health & Safety Governor is responsible for investigating work-related causes of sickness and absences, although the accountability lies with the head teacher.
- The head teacher is responsible and accountable for acting on investigation findings in order to prevent a reoccurrence.

Section B – ARRANGEMENTS

B1: School Activities

- The head teacher will ensure that risk assessments are undertaken. *See annex 10*
- The significant findings of all risk assessments will be reported to the governing body and to all relevant staff, contractors and visitors who may be affected.
- Any actions that are required to remove or control risks will be approved by the head teacher or their delegated responsible person.

- The head teacher or delegated responsible person will check that the implemented actions have removed/reduced the risks, and
- All risk assessments will be reviewed on an annual basis or when the work activity changes, whichever is the soonest.

Curriculum Safety Risk Assessments:

B10: Safe Handling and Use of Substances

- The head teacher is responsible for identifying all substances which need an assessment under the Control of Substances Hazardous to Health (COSHH) Regulations 2002.
- The head teacher or delegated responsible person will be responsible for undertaking COSHH assessments.
- The head teacher will be responsible for ensuring that all relevant employees are informed about the COSHH assessments. *See annex 5*
- The head teacher will be responsible for checking that all new substances can be used safely before they are purchased.
- COSHH assessments will be reviewed on an annual basis or when the work activity changes, whichever is the soonest.

B11: Inspection of Premises, Plant and Equipment

- The head teacher will arrange for formal inspections of the premises, plant and equipment to take place three times a year and draw up an effective maintenance programme. *See annex 6*
- All identified maintenance will be implemented.
- Routine checks may be undertaken by a combination of subject teachers, governors, caretaker and the head teacher/Assistant Heads using the checklists. *See annex 6.*
- Access to store rooms and plant rooms should also be checked, including checking for inappropriate storage of ladders and other equipment.

C12: Asbestos Management

The new and refurbished school building is asbestos free.

C13: Legionella Management

Property and Infrastructure Support will arrange for a water hygiene risk assessment to be carried out every year in line with statutory requirements. Assessments identify if there are areas where conditions are such that legionella bacteria could grow; list any required works; and include details of future monitoring requirements that the school is responsible for. Therefore all identified remedial works will be incorporated into the school's maintenance programme.

Monitoring of the water system is also a statutory requirement and the school will ensure this is undertaken. This will include taking temperature readings, recording these in the log book and de-scaling spray outlets.
